## Handicap A, B, C SE Events

These events are meant for fun and excitement. The results will not affect your official rating. All three time slots are separate events and will follow a single elimination format. You may enter one or two of these three A, B and C time slots. We will try to make the first matches between players from different clubs. The lower-rated player in each match will receive up to six points at the start of each 11 point game.

**We plan a maximum of 24 players per handicap event.**

**In the event a handicap event is full, we will attempt to place you in another handicap event at a different time (based on your arrival and departure times on your application and where you have an opening on your schedule). Otherwise, you will receive a refund for that event.**

The following scale will be used to determine handicap spreads:

0 -- 50 points	0
51 -- 125 points	1
126 -- 200 points	2
201 -- 325 points	3
326 -- 450 points	4
451 -- 575 points	5
Over 575 points	6
